Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Minor changes to the claims 1, 10, 21 and 32 were discussed. Specifically, language including "a seller selection module configured to receive one or more seller requirements from one or more buyers coupled to the global content directory server", and "a search module configured to communicate a search query to the one or more seller databases to search the product data stored in the one or more seller databases identified by one of the pointers" was proposed to further clarify the invention. Mr. Laurenti authorized changes by Examiner Amendment.
